The Board of Directors has passed a rule stating that horses and owners receiving points must be enrolled with IASPHA, INC. This will help us maintain a more complete permanent record of American Saddlebred horses in the State and it will greatly assist us in the proper awarding of points. If you intend to show an **American Saddlebred Pleasure Horse or an Academy horse** in member shows and wish to obtain points toward a State or season championship, your horse must be enrolled by filling out the form below and returning it to the Executive Secretary of the Association. **POINTS WILL NOT BE COUNTED UNTIL THE HORSE IS ENROLLED.** A member may enroll as many horses as he or she owns at a charge of \$10.00 per horse. This is an annual enrollment only. Horses must be re-enrolled each year with this Association. If the horse is sold, the Association must be notified within thirty days. **Points will be awarded beginning with the date the membership and horse enrollment application is postmarked.**
